

REGISTRATION INSTRUCTIONS / SUMMER 2009

The Summer Session begins the week of June 22nd and goes through the week of August 31st.

That means it is time to register for Summer! You may have some questions, so read the following carefully. If you have any further questions, or have trouble opening the PDF of the Registration form, please contact the office: ncmc@verizon.net

1. Everyone must register / fill out forms for the Summer Session, before beginning lessons/programs.
2. Please find the registration form attached and let me know if you have any problems opening it. Fill it out and send the completed form in the mail with payment, or drop by the office. In the meantime, please call/email me to let me know you will be continuing so I'll know the 'check is in the mail'.
3. Classes need to be paid for before they may be taken.
4. You do not have to sign up for the entire summer session (week of June 22 thru week August 31st). Take a moment to figure out what weeks you will be able to take lessons, etc. (It's all on the form.) and pay accordingly.
5. If you don't use all of your classes, due to emergency or because the instructor could not teach the lesson, the unused classes will be forwarded as credits for the Fall. Credits must be used within 1 year.

6. Families who have paid the \$25 registration fee during the 2008-2009 school year will not need to do so again until the Fall. (i.e. don't worry about the summer \$15 registration fee) Everyone else? \$15 Registration Fee applies.

7. If you sign up for 4 or less lessons, there will be an \$8 accommodation fee per lesson. (there are extenuating circumstances, but the policy stands unless stated otherwise—contact me if you have any questions)

Voila! In advance, I appreciate your attention to detail: filling out the forms & getting them to me on time. Have a great summer!

Best,
